Pet Hair Removal Mitt

User manual / Black and Stone Grey

For removing loose pet hair from fabric surfaces.

Use on fabric sofas, cushions, clothing and cloth car seats.

Includes one reusable mitt, approximately 9.45 x 7.09 in (24 x 18 cm).

How to use

1. **Check the fabric**
   Test on a small, hidden area first.
2. **Slip your hand into the mesh pocket**
   Slide your fingers under the breathable mesh through the center opening.
3. **Sweep in short strokes**
   Place the cleaning side against the fabric and sweep to gather loose hair.
4. **Remove the collected hair**
   Peel or brush the gathered hair off the mitt before using it again.

Care and precautions

Remove loose hair after each use. Follow any care instructions on the product packaging. Store the mitt dry.

For fabrics only. Do not use directly on pets. Avoid snag-prone fabrics.
